FOREWORD

An Old Man's Thought of School
And you America,
Cast you the real reckoning for your present?
The lights and shadows of your future, good or evil?
To girlhood, boyhood look, the teacher and the school.
Walt Whitman

In the words of the poet Walt Whitman, lights and shadows loom in the future for the students. The annual staff believes that the school life of the student also exists in the glow and reflection of lights and shadows. Thus, we have based the year book on the theme of light, using glimmers, spotlights, glows, flames, flickers, and flares to present the record of 1960-61.

VOLUME 69

**CENTRAL HIGH SCHOOL
GRAND RAPIDS, MICHIGAN**

DEDICATION

The yearbook staff of 1961 wishes to present this HELIOS ANNUAL to our Assistant Principal, who, after 12 years at Central High School and 43 years with the Grand Rapids School System, is retiring. We are grateful for his assistance in school administration, his aid in organizing club activities, his help with student problems, and his counsel on special projects. Our Assistant Principal is often seen visiting different classrooms or talking with a passing student in the hall. His good nature and sense of humor have made him a friend of all Centralites.

Yes, we, the students of Central, will long remember your guidance and counsel, your cooperation and interest in our activities. Therefore, we are proud to present this annual to you, MR. HENRY LUDWICK.

ADMINISTRATION

The constant glow of the administration throughout the year has effected all students. Decisions made by the principals have influenced everyone and have remained a glow among the coals even if sometimes unnoticed. Office help such as the clerks have provide a sheen to the school and have carried on much of the mechanical duties, thus relieving others. The warmth of the counselors has helped many students through trying times or with problems. Our custodians have provided everyone with steady comfort in the school and classrooms while the cooks have refreshed students and teachers alike with sparkling food for lunches. The faculty provides a constant beam of knowledge and cast much light on the students' learning.

ADMINISTRATION

Central's principal, Mr. Romani, is kept very busy with his heavy load of responsibilities. A few of Mr. Romani's responsibilities and duties are as follows: managing Central and supervising its activities, arranging class schedules, acting as co-ordinator among students, faculty, and community representatives, supervising inter-school projects, making and enforcing school rules and codes, overseeing scholastic activities, advising teachers and students, and presenting awards at the Spring Honors Assembly. Besides his regular duties, this year Mr. Romani was confronted with many new changes which brought a few complaints. Helping Mr. Romani is his secretary, Sharron Winters, who takes care of much of the technical and mechanical work.

Mr. Ludwick, Central's friendly and cheerful assistant principal, is also kept busy with many jobs and duties. He assists the principal in dealing with students' problems, and he assists in many technical points such as scheduling and supervising business or special projects of student organizations taking place in the building. Also included in Mr. Ludwick's duties are supervision of evening activities and class visitations, and taking charge of such items as the building in Mr. Romani's absence, meeting and orienting student teachers, and co-ordinating the in-service education student teachers, and coordinating the in-service education program. Mr. Ludwick's secretary Margaret Welmerink helps him with the office work.

This year, we have three counselors, Mr. Ritsma working with the seventh and eighth grades, Mr. Perrin the ninth and tenth, and Miss Meyering the eleventh and twelfth. Mr. Perrin, besides counseling the ninth and tenth grades, is the head counselor which requires him to assist the other counselors and co-ordinate their work. Much of the work done by the counselors is similar only each works with different grade levels. In helping the ninth and tenth grader, Mr. Perrin is responsible for the supervision of such standardized test as the Iowa Test, programing, counseling with either personal or academic problems, guiding in choice of college or occupation.

Counseling the eleventh and twelfth graders, Miss Meyering has many varied duties in helping students develop to the greatest of their ability and gain a self understanding. Her main duties are counseling, giving educational information, and programing. However, she has many other duties which include the following: giving vocational information, placing students in business or in colleges, giving personal counsel, testing, and taking charge of scholarships.

Mr. Ritsma, the seventh and eighth grade counselor, is very active with his job. Contacting the sixth grade of the feeder schools each spring, orienting, the sixth graders by having them visit Central and through the Big Brother-Big Sister Club, enrolling the seventh graders and new students and helping them make adjustments, and programing for Senior High with the assistance of parentt conferences are several of Mr. Ritsma's duties.

Another new addition this year is a full time personnel clerk who is Mrs. Nelson. She assists all three counselors by taking calls, scheduling appointments, filing, and helping with general secretarial work.

Mrs. Woodlock is in charge of handling the truancy cases. This year, with the many changes, the system has been made more efficient. Assisting Mrs. Woodlock is Mrs. Keegstra, the attendance clerk, who keeps the attendance records and directs the technical office work. She checks the absences by phone and supervises the many "runners" who collect the absence slips each hour.

COOKS

In spite of changes and the new three lunch periods, the kitchen staff has still managed to work efficiently to feed its patronizers. The cafeteria operates smoothly during the noon hours and is aided by students who sell items and work the cash registers. Included among the staff's duties are preparing the lunch hour meals, helping keep order in the cafeteria, and cleaning up after the noon hour. Also, the staff provides help to organizations that use the cafeteria at night.

MAINTENANCE

This maintenance staff composed of a fireman, an engineer, and janitors, kept Central in good condition throughout the year. The responsibilities of the maintenance staff are as follows: cleaning rooms and halls, taking care of the school yard, checking the lights, heating the school, receiving department supplies and delivering them to the various teachers throughout the building, and doing repair jobs.

Engineers: Nick Callis, Bill Wompo, Blaine Lusk.

ORGANIZATIONS

We have a great variety of clubs or organizations most of which are open to any interested persons. At different times of the year, various clubs seemed to be in the spotlight or the limelight, but each club was important to its own members in particular. Each has cast shadows or influence which will be invaluable in the future. Organizations not only provided the opportunity for high school students to join together for social contacts, but they also gave service, developed leadership, and helped make well rounded individuals.

The purpose of the Senior High Student Council is to promote cooperation, to raise morale, to sponsor activities, and to serve as a means of communication. This very active club sponsored the annual Homecoming Dance and Boys' Heaven. The members also have had charge of the hall monitoring system, the issuing of identification cards, and club charters, in addition to money-making projects such as food sales. Mrs. Holmes is the sponsor of this important organization.

NATIONAL HONOR SOCIETY

The National Honor Society is an organization honoring select, outstanding high school students. This year, under the co-sponsorship of Miss Clarke and Miss Schriber, the members managed the Lost and Found Department in the office and have completed teacher's name cards for classroom doors. The purpose of the National Honor Society, a local chapter of a national organization, is to recognize the outstanding achievements of Central students. Members are elected on the basis of character, scholarship, leadership, and service. Officers for the first semester were president, Gordon Hasking; vice-president, Jeff Zehe; secretary, Beth Wittenbach; and treasurer, Lois Van Sweden. Officers for the second semester were president, Latvís Celmins; vice-president, Maris Straumanis; secretary, Inguna Silavs; and treasurer, Bruce Jorgensen.

DEBATE

This year, Debate has once again played an active and important part in representing Central. During the year, the debaters participated in three city league tournaments. Also, debate meets were held from 4:00 to 5:30 along with a supper held at the host's school. In the State League Tournament, Central met Lansing, Big Rapids, Grand Haven, and Muskegon Catholic Central. The purpose of debate is to help promote an interest in speech and discussion. This year, Miss DeYoung sponsored the Debate team. The officers were Linda Hubka, president; and Latvís Celmins, treasurer.

RAMS' REVIEW

Miss Schriber, Nancy Gunton, and Lois Jenks work to meet a deadline.

Central High School's newspaper, the RAMS' REVIEW, acts as a means of communication between students of all grades. The RAMS' REVIEW is a very interesting and informative little paper. It keeps tabs on all current events, opportunities open to students, top personalities, and achievements. Besides publishing a paper, the staff learns to cooperate with each other by combining various ideas successfully. They become acquainted with the problems of leadership by holding positions of responsibilities on the staff. With Miss Schriber as sponsor, the staff worked every sixth hour and many hours after school to put out the paper. Given out with the paper was the ROTO publication.

ENGLISH WORKSHOP

The main purpose of the English Workshop is to promote a better understanding of the English language to the students who need some assistance and to aid students who have problems in any phase of English throughout the year. Senior high students who possess a good average in English sacrifice their study hall in order to help out their fellow students. Experience in Workshop develops qualities in the helpers which will be of great importance in their future years. This year the English workshop, under the direction of Miss Clarke, was open the sixth hour. The helpers received certificates at the Spring Honors Assembly.

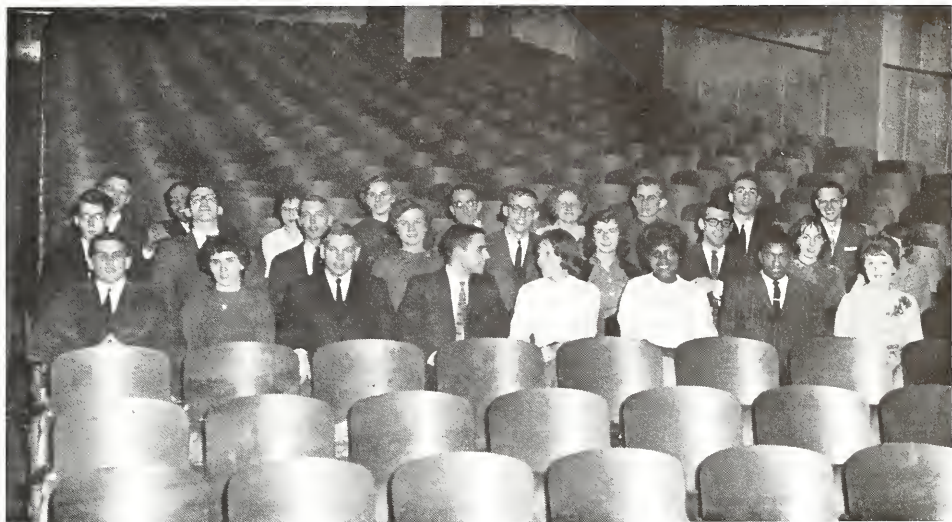

MATH WORKSHOP

The purpose of Math Workshop is to help students with mathematic problems, including anything from arithmetic to trigonometry. This year the workshop was located in room 114 under Mr. Arndt's supervision during the fifth hour. Students receive help in mathematics from student helpers chosen by Mr. Arndt. These helpers must have a *B* average in math. At the end of the year, they receive certificates in the Honor Assembly for their assistance.

SENIOR HIGH USHERS

The Senior High Ushers are a group selected in the spring from each Junior Class on the basis of their scholastic record, leadership, and general attitude. They first ushered at the Numeral Day Ceremony while they were Juniors. After that, they ushered at the Class Night and Class Day performances. In their Senior year, they ushered at all the senior high assemblies, the Senior Play, and the Variety Show. The head ushers this year were Roy Wilson and Bob Afton. The group was sponsored by the senior class sponsor, Miss Chapman.

Roy E. Wilson, Jr.

Robert Harold Afton

JUNIOR HIGH USHERS

The Junior High has its own ushers since they have their own assemblies. These ushers operate exactly as the Senior High Ushers do. They chose to head their group Sandy Kloet and Judy Snyder, whose job it is to organize the other members. They also hold sales to raise money. These students are selected by their teachers because of their personalities, leadership, and scholarship. This year Mr. Van Aartsen sponsored the Junior High Ushers.

STAGE CREW

This all important but often overlooked organization is most essential for all assemblies and stage productions. Among the chores of the stage crew are included setting up of props, adjusting of the lights, supervision of the sound, and manipulation of the curtains. These workers, "behind the scenes," are dedicated to the maintenance of good back-stage direction and are greatly appreciated by all groups in need of their service. Mr. Fillingham, as sponsor, supervises the stage crew and devotes many hours to help make more successful productions.

SENIOR CHEERLEADERS

The cheerleaders' chief purpose is to promote spirit at games, pep assemblies, and pep rallies with rousing cheers and chants on which they spend much time preparing. As a unique project this year, the girls worked at a gas station to earn money for their new uniforms. Also, they gave spreads for various other cheerleading squads before basketball games. Each year two girls from each grade in senior high are selected when try-outs are held in the spring. Captain this year was Sue Russell and sponsor, Miss De Young.

Martha Koukias, Judy Snyder, Karen Rybski, Meredith Wood, Ellen Drew, Susan Schiefler.

JUNIOR CHEERLEADERS

Junior Cheerleaders

Like the Senior Cheerleaders, these girls were present at all the games to root the Junior High teams on to victory. Likewise, they put on pep assemblies for the football, basketball, and track teams. These girls were chosen at the tryouts which are held every year. They are also used to replace any Senior cheerleader in case of emergency. Judy Snyder is the captain, and Miss Dodds is the sponsor.

AGONA CLUB

The Agona Club is made up entirely of girls who are selected juniors and seniors having at least a B average and one year's membership in C.A.A. Also, an outstanding Freshman girl who receives the Agona Cup may join in her Sophomore year. An informal initiation is held in school, and is followed by a formal initiation tea. The Agona Club helped needy families with baskets of food during holidays, sponsored Junior High dances, and had several sales this year. During the Honor Assembly, in addition to giving the Agona Cup, they awarded a scholarship for \$75.00 to a worthy senior to Junior College. They also presented the Tri-Honor Cup to an outstanding Senior girl. The officers were Margaret Vermaire, president; Marcia Johnson, vice-president; Nancy Gunton, secretary; Helen Peegeel, treasurer; and the sponsor is Miss Freeman.

BIG BROTHER-BIG SISTER

The purpose of the Big Brother Big Sister club is to help the new students in Central adjust to their classes and school routine. The members of this club conduct the sixth graders on a tour through school when they visit Central on Class Day. This year the club held an assembly for the seventh grade students for the purpose of answering their questions. Also, sales were held to raise money. This money is used to sponsor parties for the seventh grade and to be able to present a cup to an outstanding eighth grade boy in the Honors Assembly. The Big Brother Big Sister Club also had a workshop at different hours of the day in Mrs. Henry's room. Its purpose is to help the seventh grade students with their homework. Mrs. Henry sponsors the club.

SENIOR HIGH

PEP CLUB

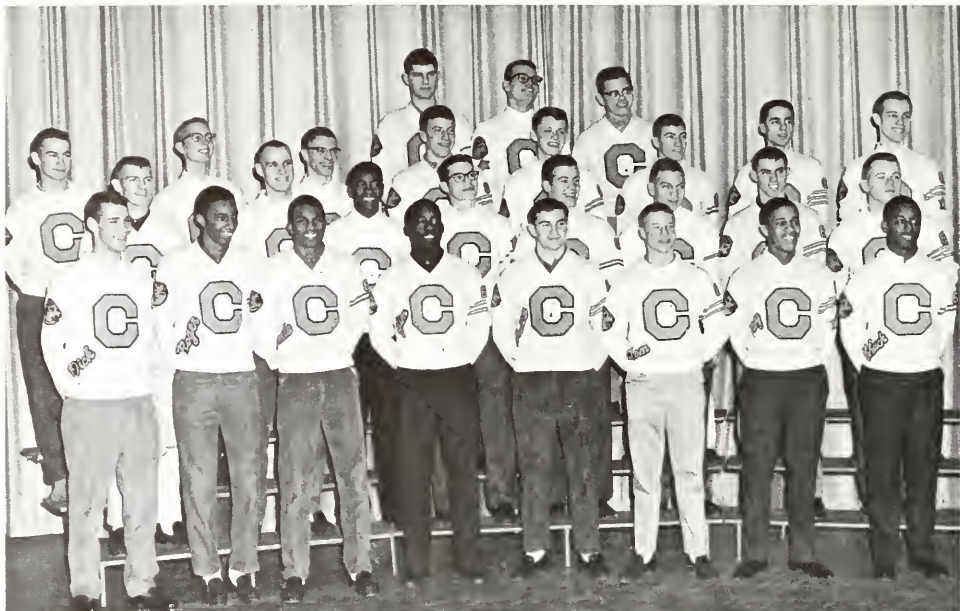

Officers: R. Wilson, pres.; S. Russell, Vice-pres.; G. Claytor, secretary; M. Baker, treas.

The purpose of the Pep Club is to build up spirit and enthusiasm. It accomplishes this by taking part in pep assemblies, keeping news on the All Sports Bulletin Board up to date, and by making signs and posters about the various games. The club has attended basketball games as a group to make a block of cheerers, has printed a newsletter distributed to create interest in the basketball team, and has made special signs for the gym for home games.

C-CLUB

Officers: Pres. R. Wilson, Sg. of Arms B. Dusendang Treas. T. Gravelyn, Vice-Pres. R. Ryke, Sec. J. Covert

The C-Club, one of Central's most active clubs, is composed of senior high boys who have won a major letter in any one of Central's many sports. Always interested in the welfare of the school, the members follow the club's code very closely. The purpose of the C-Club is to establish a higher standard of athletics and to promote greater sportsmanship among teams and students at Central. This year a new camera and two new American flags were purchased for the school. Also, the annual C-Club - faculty game was sponsored by the C-Club. The officers were as follows: president, Roy Wilson; vice-president, Russell Fyke; secretary, Jim Covert; treasurer, Terry Gravelyn; sergeants-at-arms, Bruce Dusendang and Terry Wickering. The sponsor this year was Mr. Barr.

VARSITY FOOTBALL

This year the football season started off with both a new team and new coach. However, the combination of Mr. "Russ" Posthumus and his thirty scrappers soon improved and only lost top city ranking by a very few oints. Not one game was lost by more than two points with the exception of the Catholic - Central contest. The team can be proud of its close record and position of fourth in the city standings. It can also praise All City players Bruce Dusendang and Tom Ripmaster. Dusendang was also voted Most Valuable Lineman by his teammates and Jim Otterbridge was voted Most Valuable Back. The season ended with an even record of four wins, four losses, one tie, and one pretty well broken in football squad.

SECOND TEAM FOOTBALL

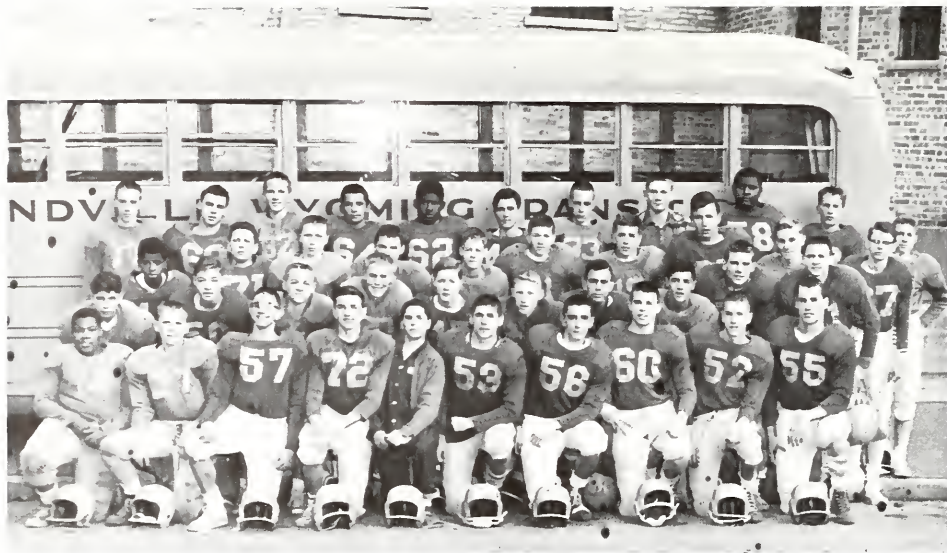

The 1960 second team football squad also underwent a change in its coaching staff. Mr. Gene Hecker led the team on to a third place position in the city rankings. For winning only two out of seven games, that was a surprisingly good end for the season. The team has gathered valuable experience, and combined with the remaining varsity players should produce a tough team for next year's gridiron competition.

FRESHMAN TEAM FOOTBALL

Coach, Mr. Ludwick, Managers D. VanDyk and M. Crabb, assistant coach, Mr. Killman

In reviewing the results of the freshman football season, the record shows three wins and two losses, finishing third in the city league standings. Various problems arose for Coach Ludwick due to the loss of some of his players. However, the team still pulled through, capturing its third place position.

CROSS COUNTRY

The 1960 Cross Country season was one which will long be remembered by both the team and the school. For the first time in Central's history, our cross country team was city and regional champions. Also, the undefeated team won the Y.M.C.A. city dual. The class A champs unofficially placed second or third in the state meet at Ypsilanti, although due to some confusion and error at the finish, officially we ran eighth. Under the coaching of Mr. George Cleveland, the team had an exceedingly successful year in spite of the fact that it had little support from the student body with only a handful of spectators at the meets. Special recognition is given to James Crawford, Roy Powers, Klaus Schagat, and Roger Weekley who received Oscars for placing in the top ten in the Y.M.C.A. city meet. Richard Bressler was awarded a loving cup for finishing in the top fifteen. The remaining members of the team are to be congratulated because it was the team work of all which made our cross country team outstanding. Although many of the members are graduating this year, enough of them will remain as a basis for another good year.

Coach, Mr. Cleveland and Manager J. VanHouten

VARSITY BASKETBALL

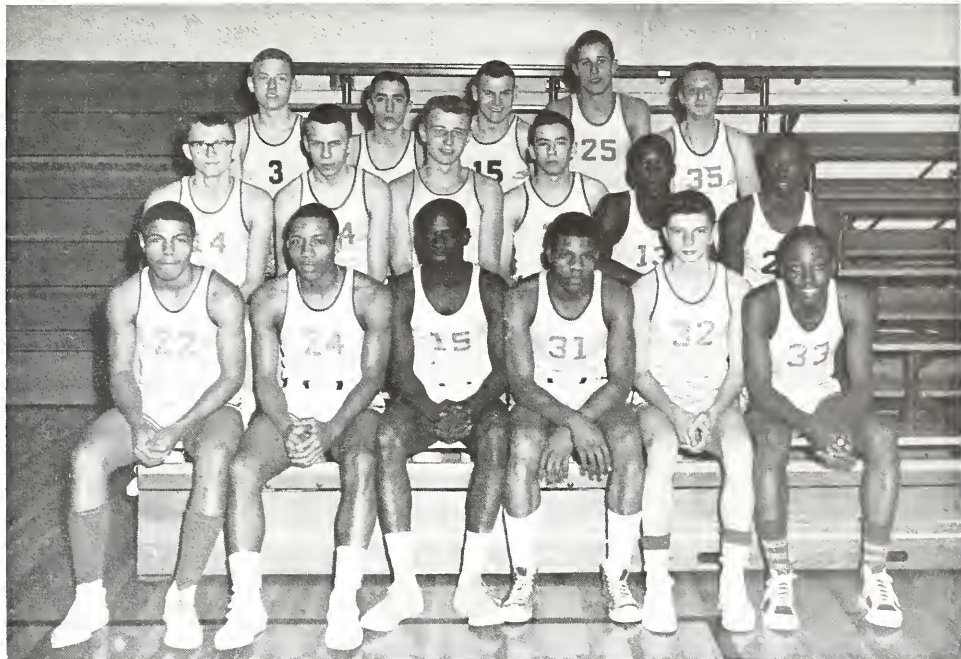

Coach Sharphorn

The 1960-61 basketball season was one of very close games for the varsity squad on both the winning and losing sides. The team finished the season with a good record of twelve games won and three games lost winding up in second place in the city. In the district tournaments, the squad defeated Union for an easy championship. However, the team met defeat in a close regional game with Escanaba, thus ending our drive toward the state tournaments. The varsity team was under the coaching of Mr. Sharphorn. With the boys coming out from the second team and the seven out of eleven varsity players returning next year, Central should again see a successful basketball season.

This year's second team basketball squad found itself in third place in the final city rankings. The future of the varsity team promises to be encouraging with the prospects from this year's second team. Maurice Calloway, one of its outstanding players, was brought up to the varsity this season. Although this was a loss for the second team, both Maurice and the varsity team gained experience toward the success of next year's varsity squad. Under the coaching guidance of Mr. Fox, the team terminated the season with a fairly even record of eight games won to seven games lost and none tied.

FRESHMAN TEAM BASKETBALL

SWIMMING

This year has not been a good one for the swimming team. Having not won a meet throughout the season, the team assumed the last place position in the city. The problem seemed to be a lack of depth, for, even though some of the members of the team were strong in certain events, they could not carry the whole meet alone. However, in spite of their disappointing record, the team managed to win fifty-seven per cent of the first places. In the city meet Coach Ludwick expected better results than were attained. The team placed sixth taking a second place in diving, a third and fourth in back stroke, a sixth in breast stroke, and a second in the medley relay. Three major letter winners returning to next year's squad are Larry DeBruyn, Don Keegstra, and Dean Rathbun. We hope next year will be more encouraging for the team.

1st Row: D. Verbrugge, D. Keekstro, E. Kiander, R. Powers, D. Rathbun, P. Grawburg. 2nd Row: P. Fuller, B. Jorgenson, B. Ashley, D. Wilcox, C. Hogle, G. Dzeguze, J. Payne. 3rd Row: J. Covert, L. Veeneman, L. DeBruyn, V. Purins.

1st Row: B. Afton, E. Baker, F. Barr, D. Beasley, D. Blower, R. Bressler, R. Brown, M. Callaway, G. Clark, J. Crawford. 2nd Row: B. Giberson, L. Godson, C. Hogle, C. Halt, J. Jones, B. Jourdan, O. Kasper, D. Keegstra, M. Kaukios, C. Dozarski, J. Nixon. 3rd Row: W. Nixon, K. Pierce, R. Powers, J. Rembert, K. Schagat, M. Smith, B. Stoeper, M. Straumanis, G. Swiger, D. Vedejes, R. Verbrugge. 4th Row: D. Atwell, J. Otterbridge, D. Weekley, R. Weekley, T. Wickering, J. Wilson.

VARSITY TRACK

This season's track team had many experienced lettermen returning to the squad. Mr. Fox, a new coach for this team, was expected to have one of the best teams. There were also expectations from new track members. With the combination of the new and experienced members, the team, coached by Mr. Fox, should have a fine season.

The 1961 baseball season doesn't open until the beginning of May. At the time Mr. Fillingham will display the talents of his team. The team is comprised of both returning lettermen and new recruits. Although it lost some stars with the 1960 graduation, the team has some good prospects and should do well this year.

Coach Mr. Hecker

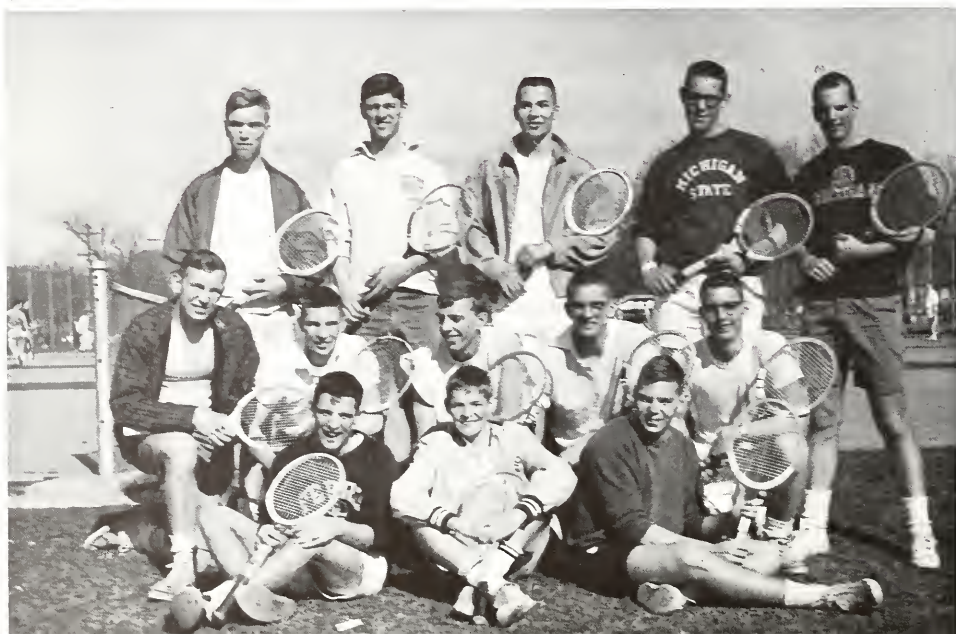

TENNIS

Due to the newness of the tennis team, it lacks depth and experience. With the help of several returning veterans, coach Gene Hecker is in the process of rebuilding. These boys are working hard to do their best even though they are confronted with many difficulties. The members will increase their experience through their valuable teamwork.

GOLF

Central High's golf team of 1961 is enjoying a very fine season. The full team is made up of returning veterans, however, the coach, Robert Engleman, is new. The team is expected to forge quite a battle toward their first championship. Central's team has competition and must overcome several hurdles during its season. With much hard work and drive, the team should go far and gain experience.

ATHELTIC STAFF

Sharron Seitz

These are the people behind the scenes of the athletic department. They work together to make the meets, games, and assemblies possible. Mr. Irwin is the head of the Central High Athletic Department. His responsibility is to coordinate all its activities. Working in the athletic office as secretaries are Sharon Seitz and Patty Johnson. Their duties include looking up eligibilities, keeping records typing letters, and setting up the athletic assemblies. Together they all help to make athletics a smooth running program.

UNDERCLASSMEN

Underclassmen, seventh through eleventh grades, grow and progress from stage to stage just as light might. The seventh grade is pictured as a flicker might be in a fire; small, wavering, and unsteady, and yet most important, too. While still unsteady, the eighth grade has an inkling or idea of the future and glimmer with faint rays of light. The ninth grade pulls through with many a flash, shining perhaps for only a moment at a time, but nevertheless preparing for their future. In preparation for senior high, the tenth grade is pictured as a flare bursting forth more permanently and becoming active in senior high activities, but still wavering as though not quite steady or sure. The juniors, almost ready to take over as seniors, are represented by a flame, growing in steadiness and capabilities.

SEVENTH GRADE

Represented as a flicker of light, small, wavering, and unsteady, the seventh graders experienced quite a different phase of their lives. Many welcomed the new challenge of entering high school, and they have grown in their adjustment to the new and exciting environment. New opportunities for academic and emotional growth as well as for participation, service, citizenship, and friendship have presented themselves as the year progressed.

EIGHTH GRADE

The eighth grade glimmering with faint rays of light and having an inkling or idea of the future, continued to build on last year's scholastic experience while new educational opportunity unfolded. Because they were better acquainted with their surrounding this year, the eighth graders participated more fully in extra curricular activities. Now, they are looking ahead and making preliminary long range plans for the next four years of high school.

NINTH GRADE

Starting their selected courses this year with college or employment in mind, the ninth graders can be compared to a flash which shines and gives light for perhaps only a moment, but nevertheless preparing for what is to come. These students gained more intellectual growth on which they will be able to build another year. Because of previous participation and experience, the ninth graders provided the leadership of the Junior High organizations. In addition to experience gained, skills and activities were made available to them partially through the larger scope of organizations provided for freshmen membership.

TENTH GRADE

As tenth graders, these students flare forth by becoming active in senior high activities, thus preparing for their future. Having made more steady growth toward their educational goals, the sophomores have become more responsible people. This year, they have been able to choose from a greater number of social events, educational and service clubs, and athletic groups. Learning by doing in their new groupings, the sophomores have prepared themselves so that they in turn can offer leadership.

JUNIORS

Almost ready to take over as seniors, the Juniors, like a flame which seems to grow by leaps and bounds, have made much progress, but, again as the flame, they still waver as preparations for the future begin to mold. The Junior Class, organized to promote an understanding and closer relationship among Juniors through social activities and useful projects, as usual led a busy year with its many new experiences, responsibilities. Included among their events of the year were the following: holding potlucks, having money-making projects, giving Thanksgiving and Christmas baskets to needy families, participating in the Junior-Senior Prom, and purchasing class rings. This year was the first time that this class had been organized; many of its members at this time began to show their leadership through participation.

Chuck Halt, Junior Class President, relaxes after a good lunch.

The cheerleaders pose as team members in a pep assembly.

SENIORS

The Seniors are represented by a blaze which shows intensity and great activity. After much hard work and twelve year's labor, the senior's have at last reached their glory. This year has been "their" year and will long be remembered. Perhaps their greatest achievement was receiving their diplomas upon graduation, thus closing an important chapter in their lives. The seniors were kept busy with many extra curricular activities such as the Homecoming with our king and queen, Ron Miller and Laima Stede; the senior play "Cheaper by the Dozen;" the variety show "Capers of '61;" the Prom in the spring co-sponsored with the Junior Class; potlucks, morning coffees, and class meetings on Monday, Wednesday, and Friday. Also included among the Seniors' events were Numeral Day, Class Day, and finally graduation. Through these many activities, plus organizations and sports, many seniors have developed leadership which they will need in the future as tomorrow's leaders. The class sponsor this year was Miss Chapman.

CLASS SONG

Now our high school days are over,
And our graduations near;
Now the time has come to end our fun
And to leave our school so dear.
We'll remember tomorrow
All the things we do today,
Your guidance we'll carry
As we go along our way.
We will carry with us always —
As the years go rolling by —
All the mem'ries dear
Of our high school years
At dear old Central High.

Gerald Koch

Class Motto

We lay today the foundation of tomorrow.

CLASS POEM

The young generation,
A lost world of its own
Suffering, searching
Hoping, working
Working toward that one great goal
That ties all mankind into one
Truth
The truth of freedom
Of love
The truth of brotherhood
And Peace
Peace, that will bring
Into this world of strife
True humanity
Which will raise man's soul
Purify his thoughts
Elate his being
Bring him at last closer
To his God

HOMECOMING

The Homecoming Dance, one of the biggest events of the year, was held on Thursday, October 20, 1961, at Blythefield Country Club. The Class of 1961 chose as their king and queen Ron Miller and Laima Stede, each of whom was attended by courts of Four. Preceding the dance was the football game in which we defeated Union 25 to 13, and the half time ceremony in which there was the float for the court, a new addition this year.

"CHEAPER BY THE DOZEN"

This year, the Senior Class chose as its play "Cheaper by the Dozen," a three-act comedy which was held on November 17, 18, and 19. The play, sponsored and directed by the Seniors with the help of teachers and two seventh graders, who were part of the cast, was a very successful one.

VETERAN'S DAY

The Armed Services Day program, a traditional and beautiful one at Central, is a memorial service in honor of those from Central living and dead who served in World War I, World War II, the Korean War, or European Occupations. Started in 1922, it has continued over the years. Armed Services Day is observed on the eleventh of November.

BOYS' HEAVEN

The annual "Boys' Heaven" dance, a dance for which the girls invite the boys, was held December 16 in the girls' gym and was a very successful occasion.

CHRISTMAS ASSEMBLY

Christmas every year is marked by the annual Christmas Pageant in which there was singing by the choirs and art work by the art department. The Senior Orchestra provided the music, and Miss DeYoung had charge of the acting. The pageant this year was held the nineteenth of December.

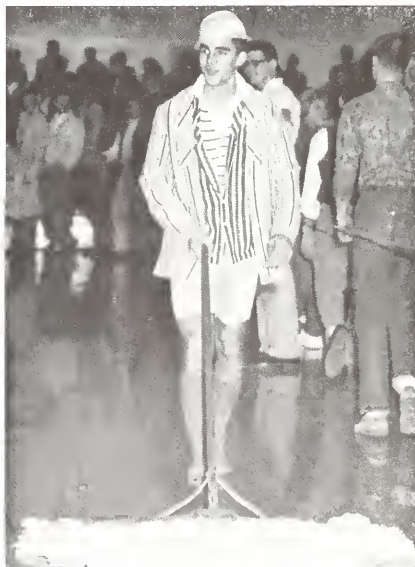

BASKETBALL

Score! Score! Such was often heard at our basketball games. We had a successful year taking second place in the city league and district championship.

CAPERS '61

The Variety Show or Capers '61, held March 23 and 24, was a well done show with much work and good talent being used. The acts included such talents as dancing, singing, playing instruments, comedies, and pantomimes.
